

Your webcam is Plug & Chat capable, so no software installation is needed. However, installing software will enable you to completely experience all your webcam's features.

1

Install software and drivers (optional, Windows compatible only)

- 1) Visit www.creative.com/support.
- 2) Select your webcam.
- 3) Click Live! Cam Starter Pack to download the software.

2

When prompted, connect your webcam's USB cable to your computer. Follow the rest of the instructions on the screen to complete the installation.

Using Your Live! Cam

Component	Description
1 Noise-Canceling Microphone	Captures audio clearly during video chats.
2 Hinged lever	Mounts your Live! Cam securely on desktop and notebook LCD displays.
3 Yellow Power LED	Lights up when powered on and turns off after five seconds when not in use. Also lights up when performing video or audio streaming/recording.
4 USB cable	Connect to your computer's USB port.

- To launch Live! Central 3
Double-click the Live! Central 3 icon on your taskbar. Alternatively, from the desktop, click Start > All Programs > Creative > Creative Live! Cam > Live! Central 3.

Creative Knowledge Base

Resolve and troubleshoot technical queries at Creative's 24-hour self-help Knowledge Base. Go to www.creative.com, select your region and then select Support.

Product Registration

Registering your product ensures you receive the most appropriate service and product support available. You can register your product during installation or at www.creative.com/register.

Please note that your warranty rights are not dependent on registration.
