

## Upcoming Blackboard Workshops

All faculty are invited to attend the following workshop to learn how to use Blackboard tools to make instruction more efficient and student learning experiences more effective. No registration is required, simply attend the sessions of your choice..

**Tuesday, November 24th at 12:00 pm**

### Ask the Trainer: Grade Center

Want to learn some best practices when using the Grade Center in Blackboard?

Topics covered will include:

- Building columns
- Adding grades
- Weighting totals
- Rubrics
- Downloading
- Managing Grade Center

**If you have general questions about Blackboard or Google Apps, stop in during my Faculty Support Hours!**

## Faculty Instructional Support Schedule

**West Allis Campus  
FIC, Room 350**

Online Teaching & Blackboard

Faculty needing pedagogical assistance with using Blackboard or other educational technologies may meet with an experienced instructional support peer in the Faculty Innovation Center or their local campus Faculty Resource Center.
